BELL-WHITLEY COMMUNITY ACTION AGENCY, INC.
P O Box 159
Pineville, KY 40977

Purpose:

“Committed to improving our communities...one life at a time”

We Believe:

There is a wealth of untapped resources in the community from which we can draw.

Each person has something to give to the community.

That by working together we can replace poverty with opportunity and despair with hope.

Services Offered:

Community Services Block Grant Outreach Services (CSBG):

CSBG funds support efforts to identify, reduce or eliminate the causes of poverty and to help solve problems that block the achievement of economic self-sufficiency. The purpose of CSBG is to reduce poverty, revitalize low-income communities and empower low-income families and individuals to become more economically self-sufficient..

Low-Income Home Energy Assistance Program (LIHEAP):

Provides assistance with energy costs for households who are income-eligible and responsible for home heating costs.

Wintercare: Provides assistance to income eligible households with a disconnect notice on electric or gas bills.

CSBG Emergency Funds: These funds are available to assist households in emergency situations such as loss of home from fire, homelessness or eviction notice.

Emergency Food and Shelter: Funds for this program are only available in Whitley County.

Weatherization: Improves energy efficiency of low-income households by insulating, repairing/installing energy efficient heating systems, repairing/replacing doors and windows and various other energy saving improvements. This program serves low-income homes of the elderly, the disabled, and families with young children.

(Continued on page 5)

BELL-WHITLEY COMMUNITY ACTION AGENCY, INC.
(Continued)

VITA (Volunteer Income Tax Assistance): Provides free tax preparation for low-income and elderly tax payers.

Educational/Scholarship Program:

Scholarships are available to one graduating senior from each of the six area high schools in Bell and Whitley counties. These students must be nominated by their school counselor in order to be considered.

Housing Initiatives: Assists low-income households to qualify to become homeowners. Also assists current homeowners with rehabilitation needs.

Kentucky Vision Project: Assists adults meeting income guidelines with eye exams and the purchase of eyeglasses.

Needy Meds Program: Helps with prescription costs for qualifying individuals.

Head Start/Preschool: Works to aid in the development of the whole personality of three- and four-year-old children through blending with the local school systems in Bell County, Middlesboro, and Pineville.

Early Head Start: To provide early, continuous, intensive and comprehensive child development services to promote the physical, cognitive, social and emotional growth of infants, toddlers, and pregnant women.

Children with Special Needs: A child with special needs can often learn more readily in a group with other children than in a separate group. Children and their families receive a full range of developmental services including education, health, medical, dental, nutrition, mental health, parent involvement, and social services.

Emergency Services Grant (ESG): Provides assistance for the homeless and prevention of homeless.

Workforce Investment Act (WIA-Youth): (In Bell Co. Only) Assists in-school and out-of-school participants ages 16-21. The assistance includes paid and unpaid work experience, work readiness skills, job shadowing, mentoring, and other leadership development activities. Assistance with tuition, books, and fees as well as supportive services may be provided.

(Continued on page 6)

BELL-WHITLEY COMMUNITY ACTION AGENCY, INC.
(Continued)

Workforce Investment Act (WIA Adult) (In Bell Co. Only) : Delivers tiered levels of services to adults, dislocated workers, and job seekers. Services include On the Job training, Classroom training and Supportive Services. An assortment of resources are used to supply the latest job information, identify interests and aptitudes, help with resume preparation, and enhance career advancement.

Out of area job search and relocation assistance may be arranged. Eligible individuals may receive assistance with tuition, books, fees, and other training related costs. Eligible individuals may be placed with a local business for a paid work experience or on the job training.

Career Resource room: Computers, copier, phone, fax, resume preparation and job related literature are available to the general public at no cost.

Repair Affair: Repair Affair is a one day event to fix up or spruce up homes owned by persons who are elderly or have disabilities and need a little help to maintain their homes.

For more information on volunteering, making a tax deductible contribution of cash or materials, or to find out if you qualify for help in maintaining your home, call the Bell-Whitley CAA office.

EQUAL HOUSING OPPORTUNITY
Kentucky Commission on Human Rights
Equal Housing Office
332 W. Broadway, 7th Floor
Louisville, KY 40202

Purpose:

To assist the residents of Kentucky in obtaining equal opportunity in their search for housing and to protect residents' right to enjoy the use of owned or rented property without discrimination.

Services Offered:

Kentucky law provides that it is unlawful for real estate brokers, salespersons, operators, builders, developers, financial institutions, or insurers to discriminate in sales, rentals, leases, listings, negotiations, or inspections; in terms, rates, privileges or conditions of financing; in receiving and transmitting offers to purchase or rent- by representing that real property is not available for inspection, sale or rental, when in fact it is. Kentucky law also protects citizens from harassment in the housing context based on race, color, religion, sex, familial status, disability, or national origin.

Contact:

If you feel you have been discriminated against in any of the above categories, you may contact the Equal Housing Office of the Kentucky Commission on Human Rights for more information.

Barbara Tuck, Executive Director

CUMBERLAND VALLEY AREA DEVELOPMENT DISTRICT
342 Old Whitley Road
London, KY 40743-1470

Purpose:

Kentucky's 120 counties are grouped into 15 regions known as Area Development Districts or ADDs. Each of the ADDs are governed by a board of directors consisting of the county judge executives, mayors, and citizen members. Although ADDs are public bodies, by Kentucky law, ADDs are not State agencies or governmental agencies on any level. Instead, ADDs function as partnerships of local units of government. Each ADD has a staff made up of professionals with a wide range of backgrounds in such areas as economic development, planning, management, and human services. By having access to the expertise of the ADD staff, local governments are collectively able to utilize a professional staff that many counties and cities could not otherwise afford.

Services Offered:

ADDs provide a means by which local elected officials and citizens work together to provide planned growth and development of their area. Therefore, an ADD is a regional organization that assists in the formulation and implementation of human resource and infrastructure related plans. The plans and recommendations made by an ADD represent professional advice only. Through its professional staff, Cumberland Valley Area Development District also provides technical and management assistance to local communities on a broad range of topics and program areas. Examples of topics and program areas include:

- | | |
|------------------------------------|------------------------------------|
| Water/Sewer Planning & Development | Geographic Information Systems |
| Land Use Planning | Economic Development |
| Transportation Planning | Recreation Planning |
| Planning and Zoning | Tourism Planning |
| Personnel Administration | Financial Administration |

LAKE CUMBERLAND AREA DEVELOPMENT DISTRICT, INC.
P O Box 1570
Russell Springs, KY 42642

Purpose:

The Workforce Investment Act replaced the Job Training Partnership Act (JTPA) in July 1999. It provides services to Adults, Dislocated Workers, and Youth. The Services provided are Core Services, Intensive Services, and Training Services. These services are offered through One-Stop Career Centers.

Services Offered:

Core Services are a variety of services offered at the Local One-Stop Career Centers that will determine what type of skills and employment needs you have and offers numerous employment assistance services. Should you be unable to find employment or if the employment found does not allow your family to be self-sufficient through activities considered core services, you may be referred by a One-Stop partner to a WIA Career Manager for Intensive Service.

Intensive Services are administered to assist in obtaining or retaining employment by providing increased career planning and assessment, individual employability development, and supportive service needs.

Training Services begin when it has been determined, through all Assistance received through Core and Intensive Services that employment cannot be found or employment cannot be retained with current skills, education, and abilities. Training services will be considered for high demand occupations in the Cumberland lands Workforce Investment Area.

Funded By:

This program is funded by the U.S. Department of Labor with Workforce Investment Funds through the Workforce Development Cabinet, Office of Training and Reemployment; and is administered by the Cumberland Workforce Investment Board/ Lake Cumberland Area Development District.

All WIA funded programs are administered under equal opportunity employer standards. Auxiliary aids and services are available upon request for individuals with disabilities.

Mt. Vernon, KY 40456

Purpose:

R-TEC is an all purpose, public transit service providing transportation to local and out-of-county medical facilities, shopping, employment, etc.

Services Offered:

Trips to any medical facility as needed. Medicaid requires a referral from a local physician for any recipient who needs transportation out of the client's county of residence or contingent county (any counties which border the county of residence).

Medicaid requires a 72-hour notice for any eligible recipient to be transported to a medical facility. If 72-hour notice cannot be provided, then either a written or verbal statement of urgent care can be received from a physician's office to waive the 72-hour requirement.

Cash clients can call RTEC's office today to be transported tomorrow (24-hour notice).

RTEC can provide trips to pharmacies, shopping, employment, etc. Transport can also be provided for a client to an airport or car rental facility. For example if a Medicaid eligible client is required to fly out-of-state for a medical appointment, RTEC can transport to an airport (trip must be pre-scheduled with Medicaid services). RTEC can also provide a cash paying client transport to an airport or car rental facility.

RTEC can transport a Medicaid eligible client for out-of-county medical appointments as long as all proper documentation is on file (referrals, urgent care statements, etc.). RTEC has transported clients as far as Cincinnati, Ohio and Knoxville, Tennessee. Cash trips must be confined to our 12-county region (Bell, Knox, Whitley, Laurel, McCreary, Pulaski, Rockcastle, Wayne, Russell, Clinton, Cumberland and Monroe).

RTEC's scheduling department is open Monday through Friday 8:00 a.m. to 4:30 p.m. EST and Saturday 8:00 a.m. to 1:00 p.m. EST. Transportation can be provided anytime, provided proper documentation is on file. Ask a reservationist if you have any questions or concerns.

Wheelchair-lift equipped vehicles and child safety seats are available upon request.

VOICES OF APPALACHIA-HEALTHY START PROJECT
114 N 2ND Street
Williamsburg, KY 40769

Purpose:

Voices of Appalachia Healthy Start is a home visitation and community education program for pregnant women and families who have young children. Healthy Start's mission, both locally and nationally, is to reduce infant deaths, to reduce healthcare disparities, and to give every child the best possible start in life. This goal is accomplished through educating parents in the importance of seeking early prenatal care and encouraging them to maintain good health practices including proper nutrition and smoking cessation throughout pregnancy. After the baby is born, staff works with parents to help them learn about their child's physical, social and emotional needs. Important issues such as "Back to Sleep" to reduce the risk of SIDS and Shaken Baby Syndrome are also addressed. Parents are given guidance to help them express their concerns with their health-care providers, and how to bring about positive community changes by having an active voice in community activities. Four paraprofessional outreach workers and two social workers (case managers, a health educator, a registered nurse, a clerk, and project directors) make up the Healthy Start staff. Prevention and education are the primary features of this Healthy Start Program. No direct medical services are offered.

Services Offered:

Staff offer in-home visits and support, refer to needed services, and provide information about pregnancy and infant care. Transportation is also offered to participants who do not have any other means to access health-care.

Eligibility:

- You may seek services if you are:
- Pregnant or planning a pregnancy.
- Have a new baby and think you might be suffering from depression.
- Have a child under the age of two years.
- Would like to learn more about your child's development, breast feeding, potty training, discipline or other issues facing you and your baby.
- Would like to be a part of a weekly parenting class or depression support group.
- Would like to have a resource library available to you with information about pregnancy, parenting, stress management and many other topics.
- Have problems getting to the doctor or health department.

How to Apply:

In Whitley County, Voices of Appalachia Healthy Start is part of the services offered through the Whitley County Health Department.

WHITLEY COUNTY HOME HEALTH
114 North 2ND Street
Williamsburg, KY 40769

Purpose:

Dedicated to promoting the physical and emotional well-being of the patients we serve. Because of this commitment, we strive to demonstrate our belief in the dignity and worth of each individual. We recognize that every human being has personal rights that must be respected. Whitley County Home Health Agency is a non-profit program of the Whitley County Health Department that has been serving Whitley County for over 35 years.

Services Offered:

Whitley County Home Health Agency can provide a service or combination of services in the home, all under the direction of a qualified physician. Working with a physician, our highly skilled staff will plan, coordinate and provide care tailored specifically to the needs of the individual patient through traditional home health. Services include Skilled Nursing, Home Health Aide, Physical Therapy, Speech Therapy, Occupational Therapy, Medical Social Work and Medical Supplies. A Certified Nutritionist and a Certified Diabetes Educator are also on staff. Services also may include education of the patient, family members, and care givers on disease processes, self-care techniques and prevention strategies.

In addition to home health services, three other programs are available through the agency to address many in-home care needs. These are:

- 1.) The Home and Community Based Medicaid Waiver Program may serve people who meet both nursing facility level of care and financial criteria. Services available through the Home and Community Based Waiver Program include assessment/re-assessment, case management, homemaker services, personal care services, respite, minor home modification, and Adult Day Health Care. These services must be ordered by the Physician and must be necessary to assist the patient to meet their medical needs.
- 2.) The Home Care Program is grant-funded and serves persons aged 60 and older who meet eligibility criteria. Services include assessment, re-assessment, case management, personal care, homemaker, chore, escort, respite, home repair, and home delivered meals. The Health Department works with the Senior Centers to assist in provision of these services.
